## Clara Niwas

### Home for Senior Citizens

## Our Vision and Mission statement

### **Vision:**

We, at Clara Niwas are committed to provide high quality services based on welfare of our society. We create environment of inspiration to shape and understand our elderly parents/senior citizens through affection and outreach programs.

### **Mission:**

Our mission is to be known as India's leading home for the senior citizens, by constantly using our creativity to expand the quality of our elder-services and conduct our services honestly and fairly at all times.

### **Motto:**

Where there is good to be done do it.

### **Charism:**

Hospitality in Joy, in Simplicity.

### **Our Expert Panel:**

Doctors, sisters, nurses, care takers etc....

If you are looking to ensure that your elderly parents or senior citizens in India remain socially active and intellectually engaged, our care specialist team at Clara Niwas, are here to empower them and take good care of their needs and aspirations..... by brightening their day and giving them comfort.

**Our Founder: Sr. Maria Clara's message**  
**Treat the old as your parents.**
